Dear Clarissa,

In reference to the above, herewith those items which require amendment or clarification. As you know, approval of the previous Schedule of Payments relating to the period 25/07/14 - 25/08/14 was postponed due to lack of quota and therefore to simply matters, I am reproducing details where clarifications had been requested but as yet not yet received.

Schedule - 26/08/14 to 19/09/14

- 02. RVC Event Lighting (1,062.00) - description to read: Lighting Services re Swieqi Fest 2014
- 04. Go Plc (229.19) - Excessive charges on calls made from mobile to land lines still prevail but as this covers the period prior to new arrangements made with the company, whatever benefits to save on past exorbitant costs should be reflected in the next bills.
- 11. Melita Plc (83.21) Internet for Online Streaming - when is it planned for this to commence functioning?
- 13. Leonardo Int. Décor (282.00) - description to read: Frames re Councillors pictures & glass repairs
- 15. Wasteserv (17,989.80) - Tipping Fees for April/June'14 the calculation and computation of which needs clarification as had been requested in previous months but still awaited

Schedule - 25/07/14 to 25/08/14

Information detailed in my e-mail dated 02/09/14, precisely:  
02. Wasteserv  
34/36. Mica Med - incorrect dates stated on their invoices  
47. Media graphic - distribution of 1000 magazines as opposed to the larger quantity printed?  
56. Roosendaal Trading - extra shirt offered on basis of "buy two and get one free"  
N/N. Greenview Co. Ltd (299.72) Had enquired whether the dog poo bags had been sponsored but as this invoice was not included in the latest schedule, presumably my contention proved correct?

In line with usual practice, both today's e-mail and that of the 2nd September should be attached as an appendix to the minutes of council meeting number 47.

With thanks and regards,

Alfred Curmi
