Subject: SCHEDULE OF PAYMENTS - 09.05.14 TO 23.05.14

Dear Hugh,

Reference is made to the various documents e-mailed today relating to the council meeting of the 29th May and in particular to the Schedule of Payments. As usual herewith my comments where considered appropriate:

02. Phoenix Sports Club 1000.00 – Was this commitment agreed upon and minuted accordingly?

07. Govt. Property Dept 5,155.00 – Have the authorities concerned agreed to the Mayor's suggestion that the Civic Centre rental be submitted on a quarterly basis?

09. Go plc 236.48 – A considerable number of telephone calls are being made using the council landlines 21370199 & 21383072 to mobile numbers and which based on 32c per call represent excessive costs. Although, at times, this is unavoidable, the council should consider acquisition of a further mobile (the previous one having been obtained at no charge) for use by the secretaries thereby obviating such unnecessary additional annual overheads.

On a general note, presumably those points identified in my previous e-mails in respect of the previous two Schedules of Payment will be clarified during the meeting on the 29th May

With thanks and regards,

Alfred Curmi

PS: This e-mail for attachment as an appendix to the minutes of the meeting of the 29th May..
