

## July 2012 Report - Dr Justin Fenech

---

### **Matters to Report:**

- 1) Josef Kalleja – With regards to the removal of the Skips in said street, residence are still disposing of trash on the site previously occupied by the Skips. A notice needs to be sent out to inform them that the Skips were removed and that trash should be put in front of their door for pickup.
- 2) With regards to Skip next to the Tennis Court, it has been reported that on Sunday the skip is being overloaded. A notice should be sent to inform residents that they should not take out their trash after collection on Saturday since there is no trash pickup on Sunday.
- 3) A complaint from Triq ta' Giokondu – abandoned villa is being entered into by people and this is dangerous. We should contact the owner so that the property can be closed up.

### **Information requested:**

- 1) Is the Council organising any Educational Courses? If not, it is important that the Council starts working on it.
- 2) Are the fees (related to buildings built without enough parking spaces) paid by developers used for improving the locality?
